There are a number of factors that determine if a song is in the top 40 of the list. Often, the artist with the best-selling album is different from the artist with the best-selling single on the Billboard Hot 100. Love Theme 2 Singers: Sundar C Babu Download 7. Radio: Once a song becomes popular enough to be heard by radio stations, it can gain a lot of track and win a spot on the Billboard Hot 100. Playing a music video on YouTube also counts as playing songs. Radio is still the most popular way to consume music. A rite of initiation for musicians is to have a song on the list of 40 hits. Music streaming: The number of works on online radio stations such as Pandora, Spotify, Apple Music, Yahoo Music and AOL Music are counted towards the total number of streams. You can watch the music video and listen to almost all the songs directly on the Billboard website.In addition to Hot 100, Billboard also tracks Billboard 200 and Artists 100. These include:Sales: Nielsen tracks all sales of physical and digital discs from 19 different countries, including the United States and Canada. Nielsen follows radio stations across the country and measures which songs are being played. For example, if an album hits the charts on January 27, its total number of listeners will be from the follow-up week of January 12 to January 18.Sales and streamingWhile album sales are dropping in recent years, the use of streaming services is increasing.
