A screenshot of an Android mobile application. The top status bar shows signal strength, battery level, and time. Below the status bar is a header with a green square icon and the text "Forcepoint VPN". The main content area has a light gray background. It contains two input fields: the first is labeled "User Name" and has the placeholder text "Enter a user name."; the second is labeled "Password". At the bottom right of the input area is a dark gray button labeled "Authenticate".
