Tampopo is Manchester's original authentic, Pan Asian, independent restaurant, casual. As traders and adventurers before them, the Tampopo team have traveled all over East Asia to bring their favorite food right here in Manchester. Tampopo recreates the flavors and scents traditionally present the eternally lively street markets of Bangkok and Hanoi, the stalls of Singapore and Tokyo pasta sellers. And just like in kitchens across East Asia, all sauces, stocks and everything else is done on site every day from the freshest market. The menu is full of wonderful flavors of Southeast Asia. From Nasi Gorengs Gyoza, from Pho Pad Thai. All at good prices and served by an independent team as passionate about their food today as they were 18 years ago when they introduced in Manchester.
