There are many steps, which can be slow sometimes, that are needed to successfully change your name. It is easy to change your name in the social settings, all you have to do is present you with the desired name. It is the modification of all your documents Institutions that is the difficult part that includes your identity card, social security card, birth certificate and credit cards. Below are the steps to successfully change your name. Step 1 A € â~ "Clerk of Court The first step in the process of editing your name begins going to your local colleague office. You will find out if you need a lawyer for the process, but typically your office of County construction sites will provide you with self-help information so you can make the name of your change alone without hiring a lawyer. Every state has your own procedure, so it's important to go to your local colleague office to collect these information. What to bring to your local colleague office? You will need the following: Status identification card valid pay stub or utility invoice for testing the social security number of residence and the full money name for information packages And form a pen for writing step 2 - file a petition for a change of name a petition for a change of form of the module must be completed. It is the main document used To send the request to change your name. This document can be sent or sent online according to the state. Once the form and other documents are completed, go to your local colleague office to review them. This can save a lot of time and problems if you made a mistake fill out the form. If completed by mail, make sure you create 2 copies of the module and send the original. Most states are needed a deposit fee, however, it is possible to request a paid waiver. Knowledge suggestion: reason for making copies is because you will have to provide a copy of the petition for a name change when you publish your new name in the newspaper. See Step 4 for more information. Step 3 â~ "Set a court date Once the petition is filed with the county clerk, they will issue you a court date that will allow you to file the petition For changing your name. Generally the Court will issue the date of the court in 4-6 weeks after the presentation of the petition. It might seem like a long wait for a rather simple hearing. However, in most cases, there will be actions you have to complete before hearing and the long wait gives you a lot of time to complete the necessary actions. This takes us to the next step. Step 4 A «Publishing the new name A very common thing that most states requires is the obligation to publish the new name in the local newspaper. It is always a good idea to call the local newspaper and ask for the cost of publication. Make sure you have enough money to cover the tribunal deposit costs and newspaper publishing costs is imperative. If necessary, your status will provide you with the correct document that is used in your newspaper publication. You will also need a copy of your petition for name change. Once printed in the newspaper, keep it for your future court. Step 5 A «Signs the decree to the hearing to bring all the documents to the hearing. Arrive soon and not be late. It's your responsibility to find the right classroom if you don't have a lawyer who witnesses you in the process. If the judge will approve your question, a decree will be signed that is the most important document because it allows you to change your name on all the most sensitive documents such as passport, driving license, birth certificate and social security card. Once all sensitive documents have changed, you can go to your bank and also change the name of your credit / debit cards.
