He showed me what unconditional love he feels. Thank you for letting me try what seems to find security in another person. 116. You're getting so much. Every day you are growing and evolving in a better version and stronger than those you were yesterday. You have already done so much in the time I know you. Your passion for life encouraged me to dream bigger, love stronger, and find beauty everywhere. It might surprise you how many people feel uncomfortable when compliment. It seems counterintive as the compliments are there to raise someone, emphasize their best features and are generatively a positive thing to say. But not everyone knows they deserve to be praised, so they don't really know how to react and believe that the whole interaction is not necessary. But there are normal compliments like indicating beautiful shoes and there are compliments that they can really take a second to understand if this was not an insult. In this list you will find this kind of compliments that are so specific or unusual that people didn't really know what to think about them. The thread was created by profititorâ € Smale, who asked, "What is the most strange compliment that has ever received? â € ~ and people had some really interesting to tell. More information: Reddit Popular on Bored Panda Popular Popular Panda Initial User Panda Even on Panda Bored Even on Annod Panda Itâ € â € ~ â € ~ It is nice to be complimented by people who interest us - even if we don't always know how to comfortably receive the gesture. There are many compliments That you can use to make someone feel, but some can be more appropriate than others. Depending on the scenario, the compliment you can drive your admiration for someone... Or make things a little embarrassing. To ensure the compliment that you considered home at home in the way you are going to make it personal so that the recipient feels more. After all, giving a good compliment releases Oxytocin in your brain, makes you feel good Anc He you. Also, if you want to be really safe, keep your compliments focused on something about your recipient's personality or results, not their appearance.
