How to have chinese keyboard on android

How to add chinese keyboard on android. How to use chinese keyboard on android. How to put chinese keyboard on android. How to get chinese keyboard on android.

What is the best Chinese Android input method? I used Android for quite a while and I need to enter the Chinese practically very constantly on a daily basis, mostly for the text that chats with people. I have another requirement for the input method on my phone, though: it must be good in Chinese and English entrance. The combination is surprisingly rare in the Android input methods, proved. I've been through some different Chinese input methods for Android (and I'm always willing to try new to find the best), so I thought I'd write my thoughts about them here. Currently I think the Pinyin input of Google (À º Á Â · Ä|Å "Ä|
