From Aspyr Media: In a time of modern war, recent military aggressions around the globe have many nations worried. Between the United States, China, and the Global Liberation Army, tensions run high. Their leaders profess no interest in escalating the situation, but words ring hollow when satellite photos tell a different story. UNITED STATES: Americas military leader must use the worlds most advanced military to root out an elusive foe. Eradicating the cell-based GLA will take courage, conviction, and the will to see a prolonged campaign through to the end. GLOBAL LIBERATION ARMY: Facing superior firepower, the GLA embraces bio-terrorism, sabotage, and suicide bombings to further its political agenda. But leading a chaotic group of freedom fighters against two global superpowers will take some doing. CHINA: No longer just a red-communist step-child, China's modern army is well financed, with a strong nationalistic bent. Parading technology like Dragon Tanks and nuclear missiles, China's military goes beyond simple troop numbers. Features: Wage real-time war in more ways than ever with a modern and near-future arsenal. Command the powerful U.S. forces, the vast Chinese war machine, or the resourceful Global Liberation Army. Battle it out in unprecedented detail on full 3D environments. All-new units and tactics with maximum destructive capability, including Aurora Strike Bombers, Dragon Tanks, and much more. Team up with eight friends or go head to-head in massive online multiplayer battles. What do you need to know about free software? The genre defining Command & Conquer: Generals Deluxe Edition returns to the Mac! In a time of modern war, recent military aggressions around the globe have many nations worried. Between the United States, China, and the Global Liberation Army, tensions run high. Their leaders profess no interest in escalating the situation, but words ring […] Command & Conquer Generals Zero Game Download for PC. Get ready to download an action game. I love that a game released in 2003, whose minimum specs of the time were quite low (it ran on Windows 98!) it's amazing how high the current specs are. I mean, the original Mac version came out before the Mac had switched to Intel, so you'd think the first-gen Intel Macs would be able to handle it!Score: 3 Votes (Like | Disagree) perzangenbergDec 31 20201.12Dec 31 2020Version: 1.12Generals works in Mojave, men Zero Hour wont run :/ by MacAttack · January 9, 2015 Hi Guys!, this is my very First video, and i don't like it too well :/ Sorry for anything stupid, and mistakes i made but if it helps please leave a comment/ Like 😃 Links: Wine : Utorrent : Torrent : iE4hVSYQ!RjiSL2UCEKv-0a33fGdDA3jETRmJd8AvhbFKC1x5dsc Steps: 1. Download a torrent called "Command & Conquer Generals Zero Hour [by TheXsision]". (link in the description) 2. Download an application called "Wine", this application will help you open a .exe file from any game or app. (link in the description) 3. Of course you need Utorrent for this. (link in the description) 4. when the download is complete you will get the folder, in the folder there should be the Original Generals, Generals Zero Hour & Magic Disk (DO NOT INSTALL MAGIC DISK, YOUR MAC ALREADY CAN OPEN .Iso FILES) 5. Create 4 Folders called C&C Generals Installer & C&C Zero Hour Installer the other 2 is C&C Generals & C&C Zero Hour Thanks for Watching!, and Have a nice day! PEACE!
