Of course, the way it plays is no different than other farm simulation games, but it is an entirely offline game, no need to connect to the Internet to play. If you have a network disconnect for example, then such a game is enough for entertainment. Big Little Farmer Offline Farm by Publisher of Innovation Drive Studios is such a game. Let me know what's interesting about it. Become a hardworking farmer Big Little Farmer Offline Farm a farm simulation game so you will have to do all the work a farmer has to do every day. Although these tasks will be difficult if you are determined and love this job will certainly pass easily. You will have to do your best to build your farm into a rich place with the planting and harvesting of different crops such as corn, canola, cotton, and wheat. Not only that, but the game also allows you to farm various animals such as pigs, cows, chickens, ducks used for meat or other products. You can sell them through truckloads and bring in the money to grow and expand your farm. You also have to try to outgrow the agricultural market by producing products that are related to Bakery Products, Dairy Products and Garments etc. When you are rich enough, keep raising more profitable animals such as sheep, horses, goats, fish, hens, dogs, cats & cows. Then spend the extra money to try to build and decorate your farm more beautiful and brilliant. Become a wealthy and happy farmer with a dream farm of many people. Note: Because this is an offline game, all data will not be stored in any source on the Internet. If you delete the game or any data, the game will completely disappear and cannot be recovered again. Even if you download a new game, you have to play it again. But the developer is trying to find a way to create a game store and protect its data even if you delete it and restore it. The sad news is that the functionality is not available yet. Graphics This is a game for kids (and a few adults), so the design is eye-catching and straightforward with charming characters. Products and all objects here are also stylized closer to the children. Besides, the characters are easy to understand, so it's great for young gamers and those who like to relax while playing the game. Main feature Big Little Farmer Offline Farm is the only offline farm game available on Google Play and the App Store, but all your information is retained and synced online when connected to the network.
